**The Catholic Medical Association (UK):** A talk is to be given by Dr Fernando Antezana Aranibar, formerly Deputy Director General of the World Health Organisation and member of the Pontifical Council of Health and Well Being, where he represented the Holy See. He has been honoured by Pope John-Paul II and the King of Spain for his services to the Church. He worked for the WHO for twenty-five years and has a great interest in all aspects of health, particularly its spiritual dimension. He will be talking about the WHO, determinants of health (including social and spiritual aspects), disease control etc. If you are interested in health matters and would like to attend the talk, you will be very welcome. **Annual Health and Safety Risk Assessment** Is there anyone in the parish who is competent (and willing) to carry out the annual health and safety checks at one or more of our three Churches? The Diocese provides a pro-forma sheet to fill in, so you wouldn't be working from scratch. Please speak to Fr David if you may be able to help

**St Thomas More Parish Community Carer Network** Several members of the parish have asked about the possibility of creating a parish carer service for the parish. A proposal has been put together but before launching this initiative we need to identify those in the parish who are willing to give of their time to make it work. If you are interested in becoming part of this initiative in the parish then please come to a meeting to be held on Tuesday 26 November at 7.00 pm in the Church.
