STM Development

Sadly we have to report that the Appeal has been dismissed and planning permission refused. A full transcript of the Inspector's decision and his reasoning for it is on the notice board. The only reason for refusal was the significant damage that plots 1 & 2 would have caused to the existing badger sett. However reading the Inspector's comments it would seem that there is scope for development approval should these plots be excluded, and so the possibility remains for further exploration with appropriate amendments to the scheme. Nevertheless we have to consider your views and those of the Diocese, especially in this interim period when we await the appointment of a new Bishop. The initial response of the Diocese is also on the notice board. Hopefully this is not the end of the road, just a red light. A meeting with the Diocese is to be held on Wednesday 28 May for further deliberations. If you wish your views to be represented then please email me at anthonymcordes@hotmail.co.uk or Fr David at catholicdavid@mac.com or the parish website info@stthomasmorewollaton.org.uk alternatively let us know your views verbally or by letter and we will ensure they are brought to the meeting. God Bless you and thank you for all your past and continued support for the success of this project.

Month of May You will know that May is a month traditionally dedicated to Mary. As well as having processions in honour of Our Lady (as we will this Sunday at Mary's at 10:30am) there is a tradition in many places to bring flowers to give to Mary during May. You may wish over the next three Sundays to bring flowers to lay at the feet of the statue of Mary in your Church.
