Application for Planning Permission has now been submitted again and full details can be found on the Nottingham City Council's website at <http://www.nottinghamcity.gov.uk> and follow the links to planning. The application is number 13/01515/PFUL3. The developers have asked us to write in to the Planning Department with our support and to this end a pro forma letter has been drafted as an example for us to complete and submit. It would be appreciated if the letters of support could be provided with our own words rather than directly using the pro forma. So that no-one misses out they will be handed out as you leave mass. Please do write in as it will make a difference to the outcome as the more support the project has the more likely a positive outcome will result.
